**Subject: Invitation to Participate in the Mozilla Festival 2018**

Dear Vipul Gupta,

It is with great pleasure that on behalf of Mozilla, we invite you to participate in Mozilla Festival 2018 (<http://mozillafestival.org>) from October 26, 2018 - October 28, 2018 in London, England at the following venue:

Ravensbourne  
6 Penrose Way  
London SE10 0EW

As an invited participant, Mozilla will pay for your roundtrip airfare and meals while in London, and hotel accommodation over the festival period. .

We'd like to confirm this invitation is for you Vipul Gupta from India with the passport number M2262091 and expiration date 09/11/24 to be a Facilitator at Mozilla Festival 2018.

The Mozilla Festival, our largest public-facing event, is the birthplace of many of Mozilla's best and most innovative ideas. Join us for three days of productive skill-sharing with a global brain trust of passionate thinkers and inventors. Bring your ideas, meet kindred spirits, learn from each other and help us forge the future of the web.

The festival's themes include:

- Privacy and Security
- Digital Inclusion
- Digital art

Since you are an active member of the digital rights global community, I fully anticipate that your participation and contributions at the festival in London will be important assets to our international network. As a community member, you are not employed by, will not receive any salary or other compensation from, and will not engage in any productive employment for Mozilla. You will not be transferring your base to the United Kingdom during this visit, and Mozilla expects that you will depart the United Kingdom on or around the completion of the meeting and will return to your home country.

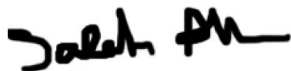

You can learn more about the event here: <http://mozillafestival.org>

I hope that you will join us for this event.

Thank you for your time and consideration. If you have further questions, please do not hesitate to contact me.

*Mozilla is a global, nonprofit organisation dedicated to making the Web better. We emphasise principle over profit, and believe that the Web is a shared public resource to be cared for, not a commodity to be sold. We work with a worldwide community to create open source products like Mozilla Firefox, and to innovate for the benefit of the individual and the betterment of the Web. The result is great products built by passionate people and better choices for everyone.*
